

Alan Graham, Treasurer

I'm the person who pays the bills and tries to make sure all the financial affairs of the club are smoothly managed. When I'm not doing that I lecture in accounting (obviously) at the University of Portsmouth.

I have had two running careers (one in my late teens/early 20s and one from age 50), so naturally I have two sets of PBs! I joined Lordshill Road Runners in 2015.

My running highlights include recently coming first at parkrun at my 'home' event of Roding Valley in Essex, representing Oxford University AC at the English Cross Country Nationals in 1984 and also I like nothing more than running with my two grown up sons when they are in the UK. I also love doing the summer RR10s.
